Dear Student Body,

I believe that the main purpose of Lyre 1979 is to hold all the fond memories and experiences that we all have shared through our years at Baker.

As Editor-in-Chief of Lyre 1979, I believe that we have fulfilled what a yearbook's purpose is.

As the yearbook progressed, decisions had to be made, deadlines had to be met, and production was underway. The staff ran into a few obstacles that led to frustration, but we grew in spirit and we were all determined to reach our goals.

Some of my time was spent in frustration or with headaches. I would not have been able to make it through if it wasn't for the hard working staff, who took a lot of nagging. My friends who were there to keep me from falling. Kris Friedrich, my right hand woman (person). Without her, Lyre '79 would not have been a reality. The administration for their help. But most of all, my understanding family who put up with me and were always there with encouragement, spirit, and love.

I feel Lyre 1979 is a great success. I hope you, the student body of C.W. Baker High School, will read the book and enjoy it. If it brings a tear to your eyes and a laugh in your heart, I feel we, the staff of Lyre 1979, have achieved our goal.

Sincerely,

*Diane Rupracht*

here,  
I'm glad  
that I met  
you this year,  
ever though we don't  
have the same opinion  
of some people. You have a  
good time out of school. (You  
lucky bum)

friends,

IN MEMORY OF ROBERT BARRETT

There is nothing greater than the loss of a friend. I find it very hard to understand why Randy was taken from us, but then God takes those that he loves the most. Randy was a person who loved life and people. We should be grateful that we were able to share some of our life with Randy. No one will be able to tell us that Randy is gone because he will always remain in our hearts.

## HIGHSCHOOL FRIENDS

As years go by we part  
Yeah, friend remember me?  
We used to be so close  
I thought that's how it'd always be.

Well, here I am; there your are;  
I hope you've made the most of life.  
Look at her, look at him,  
Boy he's changed; he's even got a wife.

I wonder what she's doing  
She probably hasn't changed  
She'll always be the same  
She's probably only aged.

Yet, we all get old  
and further away  
This is the story so many times  
I've been told.

I hope we see each other soon.  
It's so darn impossible  
I feel like I'm asking for the moon.

Remember the good times,  
remember the bad.  
It seems like only yesterday,  
It really makes ya sad.

To think we're so different. . . .  
Why?

Well, time to go,  
take care  
If there's a time you gotta problem,  
Just remember. . . .  
I'll be there.

—Terry Palmer  
Class of 1979

A collage of eight photographs capturing various students in school settings, including cafeteria scenes, gymnasium activities, and classroom work.

*Best*

*Class Couple*

Steph Perry and Steve Kuno feel it is "sweet to feel by what fine-spun threads their affections are drawn together."

If you've ever seen a person always looking "dressed to kill" it was sure to have been Linda Kottmann.

*Class*

With cute eyes and an innocent smile, it's hard not to give Dave Ramin a second look.

## Dressed

Tom Merchant is a welcome change from the everyday school attire.

## Cuties

Because of Patti Collins' small size and baby face you can't help but notice her.

## Nicest Eyes

With eyes that sparkle, Jill Prall and Calvin Garrett can get you lost in their beauty.

## *Best Sense of Humor*

Debbie Reinhardt and David Holtman are two people who can cheer you up on a gloomy day.

## *Class Actors*

Stephanie DeHoog's and David Bolson's favorite area for dreaming is the theatre and their favorite dreamselfes are its actors.

## *Nicest Smile*

Laurie Kinsley and Matt Dobbins feel that "you are never fully dressed until you wear a smile."

## *Class Brownies*

### *Best All Around*

Sue Manville and Dave Rockwood believe that "personality has the power to open many doors, but character must keep them open."

Sharon Moses and Glen Niles act like "little angels" when in the company of teachers.

### *Class Artists*

Just by looking at Sarah Schlegel's and Kevin Butterfield's works of art, you can understand what they're trying to say yet no words are spoken.

*Class**Athletes*

With soccer, lacrosse, football, and many other sports; Michele Mercandante and Dion Mulvaney keep themselves busy in competitions.

*Most School Spirited*

Diane Rupracht and John Place are two people who know how to stir up enthusiasm, lighten effort, and turn labor into a pleasant task.

## *Class Musicians*

Whether playing an instrument or just listening to music, Liz McCormick and Rob Kinslow really enjoy all aspects of music.

## *Class*

## *Flirts*

Both Sandy Powers and Tim Smith practice the "gentle art of making a person feel pleased with themself," normally called flirting.

*Most Transformed*

Cindy Williamson believes that "one must often change to be constant in happiness or wisdom."

Margie Boyd is one person who is highly unique. She enjoys sitting and just doing her "own thing."

If you've ever seen a real "hunk" in the halls, it was bound to have been Don Shaver.

## *Individuals*

Mike Allman is truly an individual. He finds pleasure in gymnastics and other activities which show his true self.

## *Most Transformed*

Tom Noonan believes that if you "consider how hard it is to change yourself, you'll understand what little chance you have trying to change others."

## *Looking*

Just by looking at Nancy Case you can tell that "if there is righteousness in the heart there will be beauty in the character."

## *Most Likely to Succeed*

Jane Abbott and Jeff Serafini feel people should: "aim at the sun, and you may not reach it; but your arrow will fly higher than if aimed at an object on level with yourself."

## *Mutt und Jeff*

Because Mary Ann Behr is one half the size of Jim Baxter, it's quite a site to see them together.

## *Class Clowns*

Whether creating trouble or just doing crazy things, Connie Welch and Scott Borelli always have "something up their sleeve."

# Almost Didn't Have 'Em

# THE Messenger

For the first time in Baldwinsville's history, the budget was voted down. Fortunately with the help of many caring and enthusiastic athletes and citizens of Baldwinsville we were able to persuade the Board and other people as well to keep and support sports. Without these people we couldn't have done it. I think I can speak on the behalf of all athletes and express our "Thanks!" I also would not have had a sports section to present to you and I'm sure you're as glad as I am that it didn't happen, 'cause here it is!

This year I really worked hard on improving the Girls Sports Section as much as possible. I hope I've captured all the special and exciting moments for you.

Keep on playing!

## *We May Live in America, but We Love Soccer*

The 1978 Girls Var. Soccer Team had what one could call a "MAGICAL" season this year. They love their soccer and their record and string of successes shows it.

This rowdie bunch of soccer players had a super season this year. A lot of good things happened to them. They had a new assistant coach, Janet Turner (Womans' Soccer Champion from England) coaching them this year; Coach DeRocker, as enthusiastic as ever; tremendous support from the public and the team had more spirit and drive than ever before. They ended up their season with a league record of 8 wins and 1 loss, an outstanding record at that.

For the first time in B'ville Girls Soccer history, this team advanced to the N.Y.S.P.H.S.A.A. Sec. III finals. This team worked long and hard to achieve this goal, a goal achieved by few. Unfortunately, they were defeated by F.M., 1-0, in a grueling knockdown drag out competition. However, they were in 2nd place in the League standings and they had received a lot of positive, complementary remarks from T.V. newsmen, officials, newspapers, spectators, etc. throughout the season. They are to be congratulated and commended for their great success and conduct.

With their sights clearly set on becoming talented soccer players and enthusiastic participants, the girls' junior varsity soccer team kicked, trapped, juggled and headed their way into their 1978 season. Accumulating a 4-4-3 overall record, the Baby Bees demonstrated a continual progression in skill and game sense. Definitely mastering one of their primary objectives—"rowdiness"—each member of the team found that the best part of J.V. soccer was simply the good times that are always a part of being involved in the great game of soccer.

Sophomore Laura Ryder's 5 goals made her the team's high scorer, while defensively keeper Jill Schutz came up with 95 saves. The annual "Heart & Hustle Award" was given to Jill Munzert. Nancy Harvey and Jeannine Roller shared the M.V.P. honors.

# Off the Deep End<sup>TM</sup>

—Swim Team

The 1978 varsity girl swimmers made it through a losing season in good spirits. For this year's young team, it was a season of growth and individual achievement. The team was proud to have one of its members, Karen Christen, qualify for the sectionals in two events. Though they will miss the contribution of senior, Laura Kinsley, the swimmers look forward to next year's competitive season.

They were complimented many times by other coaches and teams as well as officials for their sportsmanship and conduct. Although they did not have a winning season in terms of their win-loss record, they showed noticeable improvement as the season progressed. No matter what the circumstances, the Lady Bees never gave up. They are to be complimented on their perseverance and their positive attitudes. Congratulations!! you "Hung in there" well.

# *Which Way Is Up? —Gymnastics*

Excellence and depth characterize the 1978-79 Girls Varsity Gymnastics team. The combination of some talented veterans and many new stars should result in a season filled with success. Early in the season, the team set the pace by establishing record high team totals that were accented by new all time high scores in the vaulting, beam and floor exercise events. The higher scores are the result of the execution of many extremely difficult moves that can only be performed by a high caliber of competitor.

All around leading ladies Linda Bessette and Laurie Smith are sure to be sectional bound, while Robyn Haberer is working toward a hoped for trip to State on Balance Beam. Senior co-captain Patti Collins and junior Allison Jensen guarantee the team's success by their consistently fine performances. Best of all the gymnastics future looks bright for B'ville due to the talents of such youngsters as Noelle Holtman, Nan Marsak, and Eileen McDonough.

## THE CHAMPION

She was made of flesh and blood. She wasn't made of rock. Angel, devil, child—a girl of ordinary stock. But somehow she was different—true athletes always are—for though she worked and cursed and sweat, she prided in the scar.

They told her to "win" and to "give it all you got", no matter what the cost; so many times she ventured forth so many times she lost. And when they turned around and said, "It's O.K.; you tried", she clenched her fist and slowly, a tear fell from her eye.

And so she worked relentlessly; she struggled and she strained. Her conscience whipped her mercilessly for every ounce she gained. She ran on legs like pistons; her muscles grew quite sore; she'd tell herself "I have to", then ask herself "What for?"

And then at last the reckoning, the final hour was here. Her stomach lightened dangerously, her muscles tensed with fear. She knew the time was here and she'd give it all she had—And then, as one possessed, her instincts gave her power, and her body did the rest.

It suddenly was ended. Her body seemed to scatter. A crowd was cheering somewhere, but to her, it didn't matter. One thought was gleaming in her brain—a thought that made her smile: she'd given all she had and that's what made it all worthwhile.

She stood and faced her teammates with pride instead of shame. She knew not that she'd won or lost, but that she'd played the game.

And some call her THE CHAMPION, and others just call it a game, but she called herself a winner and walked away in fame.

At this time I would like to thank the people of our community who helped to keep the athletic program at C. W. Baker this year. Those people who contributed time, money, and energy to forward the sports program at our school. You achieved through your efforts a championship Wrestling, Track, and Cross Country teams. You gave nearly one-half of the students who participated in this program something to look forward to this school year. You, the concerned people of our community, have the appreciation and love of all the athletes at Baker High.

This year's Boy's Cross-Country team ran through a very successful season, on their way to state competition. While earning their third consecutive league title the Bees won all eleven league meets, thus extending their win streak to 30 wins in a row. Chuck Wiltse's harriers also ran well on Saturdays, as they took home trophies from New Hartford, Utica-Proctor, Baldwinsville, Fayetteville-Manlius, and St. Johns. The spikers also won their first Section 3 Class A title, in 14 years, trouncing the reigning King, C.B.A. The Bees were once again led by senior Eric Lutz, who won 3 invitationals and lowered the 3-mile home course record with a 15:08 clocking. The Bees secret to success was a strong pack of seniors: Tim Johnson, Joe Zobro, Bob Crego, Mark Peterson, and frosh Bob Buckley. They were backed up by senior Jeff Serafini, junior Mike Edgett and sophs Jim Bowes, Joe Coleman, Jim Killgallen, and Tom Porter.

The 1978 Football team improved with a 3-6 record. They won their 1st 2 games—the second being against Cortland under the lights. This was the 1st time in 25 years the Bees had a night football home game. The Bee's defense improved under Asst. Coach Jim Jerome with Steve Kuno making All-County at defensive end. Linebacker, Tom Harvey made 2nd team with offensive running back Paul Vinette. Paul was 2nd in the league in rushing with 917 yds. and with a total offense of 1,545 yds. which includes kickoff runbacks and pass receiving. Kuno was chosen Outstanding Football Player and improvement in the offensive line found senior starters: Center Greg Pearce, Guards: Dion Mulvaney and Tom Merchant. The team lost their top Coach "Bud" Vredenburg, but before leaving he took them to a second place finish in the 1978 Mayor's Cup Tournament at Oneonta. After this, Coach Ken "on the line" Cook took over the team and did a super job. He took the team to 2nd place in the OHSL which was an uphill climb all the way. The Bees went undefeated at home this year (7-0) for the second year in a row and ended the season with an 8-3-2 record. Dave Ramin, Dave Rockwood, and Glenn Niles were the senior Tri-Captains.

The 1979 All-County Team included Dave Ramin and Dave Rockwood on the second team.

The team was led by junior Bob Bulstra with a .300 batting average. Catcher John Sennett also lead the team in doubles along with Dan Parmalee who lead the team with at-bats. Varsity Lacrosse had a surprising successful year. With seven returning lettermen, Coaches Donahue and Needle shaped themselves a league contending lacrosse team. Lead by Senior standouts Tom Pickard, Tim O'Leary and Mark Munzert the team posted a 8 win-7 loss season. The highlight of the season was the overtime victory against F. M. in the season finals for both teams. The team scoring was lead by Tom Pickard with 41 total points followed by Tim O'Leary's 40. Three members of the team received Honorable Mention Status in the county. They were: Tom Pickard, Attack; Rich Charney, Midfield; and Bob Shaver on the goal. With seven returning junior and a fine J. V. team coming, the '79 season looks like it will be a successful as the '78 season.

Presently the fighting Bees are in a tie for second place in the OHSL with a 4 and 4 league record. All of the games have been very close, with the outcome not decided until the closing seconds. We have won two games by 1 point and lost 1 by 1 point.

Joe Peach has lead the team in scoring. Bill George and Brian Flemming have dominated the rebounding and have developed into fine team leaders. With nine league games left, the Bees are looking forward to the rest of the season in which they hope to make a strong fight for first place.

Representing B'ville this year are seniors Joe Peach, Brian Flemming, Mark Hopkins, Bill George, and Chris Getman, juniors Mike O'Connor, Jeff Hourihan, Larry Scott, Tom Fiorini, Darren Holiday, Rick Cherney, Ray Kopp, and Tom "Toots" Miller.

## '79 Indoor Track

This year's team was a young one. With only six seniors, the going got rough at times. The team was decimated by the loss of its fine sprinters and jumpers from last winter, but experienced performers—Joe Zobro, Eric Lutz, Tim Johnson, Bob Crego, Jeff MacDonald, Bob Taft, Dave Carpenter, and Joe Schnieder helped the team place consistently high in most of the invitationals. Sprinters John Arcaro, Jeff Girard, Bob Pfiffer, and field men Gary Peterson and Jim McCormick are gaining experience that will help the team in the future. Coach Arcaro expects the team to go undefeated in outdoor OHSL competition this spring and place high in all invitationals. This year's team was led by co-captains Eric Lutz and Joe Zobro.

## *National Honor Society*

The Donald W. Coates Chapter of the National Honor Society was started in Baldwinsville in 1955. Membership in the society is considered the highest honor obtainable in the High School.

Candidates for membership must be in the junior and senior class have an average of not less than 88.7 and possess qualities of leadership, service, and character.

Mr. Keenan is the advisor.

## Aquanotes

The 1978 Aquanotes production of "Movin' and Groovin'" was a great success. The months of hard work paid off as the crowds delighted to the imagination and fun of such numbers as: "Clowning Around", "Climbing Trees" and "Tricycles". The power and magnificence of such numbers as "Rocky" and "Star Wars" blended with the quiet beauty of "Good-bye Again" and "The Ellusive Butterfly of Love" to provide a thoroughly entertaining experience for all.

Soloist LeeAnn Palmer received the "Most Beautiful Swimmer" award and the MVP award. Kim Rice was the team's "Most Organized Lady". Mary-Beth Norton won the "Super Smite" award and Kris (Fred) Friedrich was selected as the "Best New Addition to the Team".

The combination of some of the most dedicated and fun swimmers Aquanotes has ever had and the best crew ever to man a production made the 1978 show one that will long be remembered.

## Ski Club

The Baker High Ski Club is an individually funded program with over 200 members. The participants ski on Tuesday nights at Labrador Mt. in Tully. Ski Club starts in early January and ends in last February. This period of time allows the students in grades 10-12 to have 7 fantastic nights of skiing. There are no athletic requirements to be a member. It is open to all the students in the high school and is supervised by Mr. Brussel and some chaperoning school teachers.

## The Junior Craftsmen's Club

The Baldwinsville Junior Craftsmen's Club is one of three local high school clubs affiliated with the Syracuse Club of Printing House Craftsmen. This contact with professionals offers opportunities for members to learn about careers in Graphic Communications and establish contacts for potential jobs.

The members help each other learn new skills by working on printing jobs for different organizations.

The Craftsmen contribute annually to a scholarship fund in memory of Mr. Hess, a former shop teacher. This money will go to a person interested in pursuing a career in Industrial Arts.

Helene Bardinet, a Rotary International Exchange student, from Pessac, France.

Susanne Flentge, a Rotary International Exchange student, from Bielefeld, Germany.

Kim Howard, an American Field Service Exchange student from Baldwinsville, New York, traveled to Finland last summer.

## *Helen's France*

Hi, I am Helene Bandruet. I was in B'ville this year as a Senior student and I must say that living so far from home, with only new people, living a different way of life and speaking a different language was a wonderful experience. I think it will help me my whole life long. In a lot of the letters I wrote to France, I wrote that Baker is the way I meet a lot of friends. I have become active in a lot of activities through the high school also. I was in indoor-outdoor track, ceramics downhill and cross country skiing. Also, I took part in some playing of football and baseball. These are two sports not played in France. I would like to thank everyone in B'ville who helped me to have such a wonderful time. I hope I see more of you either in France or when I come back to the U.S.A. in a few years, as I wish to do.

Thanks,  
Helene

## *Susanne's Germany*

Hello,

I am the German exchange student from Bielefeld, Germany. My town has a population of 321,398 citizens and was founded in 1214.

It takes a while to get used to your slang, your enthusiasm for sports, your day's schedule and the fact that one can go shopping at 10 am.

I will leave America with fine memories because I met a lot of nice people. I would like to say "thank you" to the Rotary Club and my families, especially my first family the Millards who had a hard time trying to understand my English. I will really miss the fall season with all the color and the winter because of the great amount of snow.

## *AFS Talent Show*

The AFS Talent Show was a super production of comedy sketches and musical numbers. It was mced by Tom Merchant and Chris Negay. Beth Russ, a real power source auditioned all the acts and organized them into a show.

The show drew \$1500 for the AFS fund.

## *Irma from Panama*

When I was informed that I had been chosen to be an A.F.S. student, I was very happy because by participating in this program I was able to be more knowledgeable about many new places.

To me, this experience has been the most meaningful one in my life, and therefore I am very happy now.

The pictures shown are of both the old and new Panama, a typical costume from my country and of course the Panama Canal.

I would like to thank the A.F.S., all students and faculty for helping to make my experience a success.

So long,  
Love,  
Irma '78

*Kim Howard AFS'er to  
Finland the Summer  
of 1978*

Dear Students and Faculty,

This past summer I had the chance to spend 10 weeks in Inkirsinen, Finland. It was the best summer of my life and one I will never forget.

Thanks to the support I received from the school and community, I had the chance to go out and experience a whole new culture. This is much different than just visiting a country, because one actually gets to live with a family and live as they do. During my stay, I had a wonderful family and many friends whom I miss very much. I know someday I will go back again.

I want to thank you all so much for making my summer experience possible.

Sincerely,  
Kim Howard  
AFS student, 1978

## *Latin Club*

Latin students with classical interests enjoy celebrating the Feast of Saturn, December 17 and a Roman Banquet in May. This year's club plans to go to New York City's Museum of Natural Science to see the exhibit of Pompey.

French Club has planned many activities. It has had a Cafe Francais this year and 2 last year. A French Immersion day took place also. This is when only French is spoken while the members prepare French food and have a lot of fun.

We are especially privileged this year because one of our foreign exchange students is from France.

### *Spanish Club*

The Spanish Club was organized to give the Spanish students of the high school an informal chance to express themselves in their chosen foreign language. During the meetings the club plays Spanish scrabble or monopoly, makes future plans or just sits and tells jokes.

Each year the club has a fiesta or party during the Christmas season. The club plans to do some cooking after school in the future. Mrs. Nevid is the advisor and always says that it is easier to mingle when you are bilingual.

## *Homecoming '78*

Homecoming 1978 was a success. 1 We started the weekend off with a Boy's Varsity Soccer victory over Fulton 3-1. Later that night we had a pep rally at Mercer Park and a snake dance back to the school. A dance was held there where the Junior Class Princess, Deb Forish and the Sophomore Class Princess, Sue Spillman were announced.

Saturday was started with the Homecoming Parade. Seniors won the spirit competition receiving \$25. Our Varsity Football team lost a well-played game to Fayetville-Manlius. During half-time the Marching Band performed.

Nancy Case was crowned Queen and Terri Toennies, runner up. The other Queen Candidates were: Jane Abbott, Dana Brennan, Patti Collins, Lynn Carroway, Michelle Forish, Kris Friedrich, Carol Hildebrandt, Kim Howard, Laurie Kinsley, Linda Kottmann, Sue Manville, Sharon Moses, Michele Murray, Steph Perry, Diane Rupracht, and Dorothy Slye.

## *Homecoming 1978*

The band played "Colour My World" as couples strolled into the Holiday Inn Banquet Room on Saturday, April 15, 1978. The mirror ball on the dance floor and the lighted candles on the tables set the mood for a romantic evening.

As the clock struck midnight, Sandy MacPherson was crowned queen of the prom, along with Greg Pearce as king. Their court included Diane Rupracht, Jeff Serafini, Stephanie Perry, Dion Mulvany, Michele Herbert, and Monte Vigliotti.

As the evening drew to a close the couples departed to unknown destinations, carrying with them many memories of an enjoyable evening.

The class especially appreciates the poem Lisa Anderson wrote and the cake Greg Pearce made.

## Concert Band '78

During the school year, the Baldwinsville concert band moved forward in its growth program, involving more students, and presenting a much wider variety of experiences to its members and audiences.

Concert band members had the opportunity to become involved in color guard activities, stage band. Small ensembles, all county and NYSSMA activities, and the pit orchestra for the 78-79 musical. Memories of an active and rewarding musical life at Baker will remain with the students forever.

## ***Marching Band '78***

Under pressure to raise funds to survive the season in Baldwinsville's first austerity budget year, the Baldwinsville marching band succeeded where many bands of less character might have failed. It was a year of selling, collecting glass and bottles, and borrowing uniforms and equipment. In addition, the band successfully moved into class "AA" of the New York Field Band Conference, finishing 6th in a tough race for that prestigious title. The year in retrospect was one of victories over many obstacles. By the end of the season, the band drew a standing ovation from crowds in response to a show that was creative and exciting.

1978 Chorus

cont. on page 163

## Chorus

The chorus meets 4th period every day of the week. During this time the students work on a variety of music ranging from opera to contemporary. Throughout the school year the chorus performs 3 or 4 concerts. Some of these are invitationals to other parts of the state. This is due to the success of some of the past performances. Besides concerts, the chorus also has members that participate in the school musicals.

Chorus provides a fun yet educational way of learning about and taking part in music and its good experiences.

Students compete with other Math Clubs in the county once every two months. Simulation matches and practice sessions are held on Mondays. Students are exposed to interesting math problems along with their equally interesting solutions.

Girls Athletic Association

## Girls Athletic Association

In this year of austerity and the struggle to keep programs alive, the Girls Athletic Association geared up to meet the challenge. Led by the dedicated efforts of president, Karen Honan, the G.A.A. raked lawns, washed cars, and sold bumper stickers to come up with much needed sports dollars. Future projects include a bowl-a-thon and a winter party. Spring will find the members actively recruiting future female athletes through a huge picnic for the eighth grade girls of Durgee and Ray. The event will promote the entire girl's program and emphasize the importance of freshman competing on the varsity and junior varsity teams.

Some of the activities YAC involves itself in are: telethons, pie sales, poster routes, visiting people, car washes and daffodil days.

Kim,

I hope you don't mind my spicing up the advertisements. I don't have anything crazy to say like Diane did with her twisting her foot. Thanks for helping me out with that 40-job package we had to do. You are always singing in class, you should do it for a living. You want me to write a lot & I don't know what to say, so I'll just say A B C D E F G H I J K L M N O P Q R S T
